Description :

Prsentation de l'diteurImmortal Descendants are disappearing and seventeen-year-old Clocker Saira Elian is next on the listSaira and Archers romantic London summer is shattered by the bold kidnappings of Immortal Descendants. Its clear Mongers want control of the Descendant Families, and when they target a powerful Shifter, theres no doubt they will eliminate anyone who stands in their way.A split in time could be the cause of this new Monger aggression, and Saira, Archer and Ringo suspect their time-traveling nemesis Bishop Wilder. One dangerous world is exchanged for another when Saira and her friends track Wilder to the gloomy streets of Paris in 1429. They find the city besieged by marauding wolves led by a fanatical peasant

girl who will be known to history as Joan of Arc. Crossing the time stream to repair it has dropped them into the heart of the Hundred Years War on the eve of an epic battle, where the line between friends and enemies will be drawn in blood. To finally end the deadly game of cat and mouse with Wilder, Saira must confront her greatest challenge yet: the truth about her changing Nature. Biographie de l'auteur APRIL WHITE has been a film producer, private investigator, bouncer, teacher and screenwriter. She has climbed in the Himalayas, survived a shipwreck, and lived on a gold mine in the Yukon. She and her husband share their home in Southern California with two extraordinary boys, their dog, various chickens, and a lifetime collection of books. April wrote her first novel, Marking Time, because it's what she wanted to read, and now needs to finish all five-books in the series so she can find out what happens next. More information and her blog can be found at www.immortal descendants.com.
