Revue de presse' 'Simply magnificent. This gripping, fascinating and authoritative tour de force - covering the Queen herself, the power and the celebrity of Britain's royalty with equal panache - gleams with a unique combination of insider anecdotes, deep knowledge, personal experience and superb storytelling by Britain's outstanding royal observer.' (Simon Sebag Montefiore, author of JERUSALEM) 'At long last we have the definitive portrait of Queen Elizabeth II's world today. Robert Hardman knows the true story and tells it superbly.' (Andrew Roberts) 'As well as the entire senior management of both Buckingham and St James's palaces, Hardman has interviewed David Cameron, the Archbishop of Canterbury, former Prime Ministers, the last four Foreign Secretaries and scores of others, so this book abounds with insights. Yet its real value lies in the sheer quality of the writing and the consistently sound judgement that Hardman brings in teasing out the true character of one of the world's most exemplary human beings.' (Mail on Sunday) 'Hardman knows his subject intimately and has used enviable access to produce a richly detailed and thoughtful account' (Telegraph) 'Hardman is the best chronicler of the monarchy writing in the British press today, superbly well informed, witty and wise.'
