Description :

Prsentation de l'diteurThese 50 excellent and systematic exercises Czerny devised for developing finger dexterity are as useful today as when they were first written. Each exercise is preceded by a statement of specific goals. Exercises range from achieving even finger action with a quiet hand to virtuoso studies that emphasize affectations such as the bravura touch.Prsentation de l'diteurThese 50 excellent and systematic exercises Czerny devised for developing finger dexterity are as useful today as when they were first written.
