Description :

Prsentation de l'diteurThe assassination of President John F. Kennedy was an appalling and grisly conspiracy. In this unvarnished story, Kaiser shows that the events of November 22, 1963, cannot be understood without fully grasping the two larger stories of which they were a part: the U.S. governments campaign against organized crime, which began in the late 1950s and accelerated dramatically under Robert Kennedy; and the furtive quest of two administrations to eliminate Fidel Castro. This book brings to light the complete, frequently shocking, story of the JFK assassination and its aftermath.Prsentation de l'diteurThe assassination of President John F.
